

## Public Notice

The Tehama County Department of Environmental Health has approved the application for a Report of Facilities Information amendment for the Solid Waste Facilities Permit (52-AA-0001) to allow changes in the operation of the Tehama County/City of Red Bluff Landfill, 19995 Plymire Road, Red Bluff.

The application for Report of Facilities Information (RFI) amendment was received on July 24, 2015. The application requested that the RFI be amended to allow the installation and operation of an outbound scale at the exit of the landfill. It also requested that the landfill be allowed to accept, store and export Treated Wood Waste to a facility authorized to accept this type of waste.

As the solid waste Local Enforcement Agency (LEA), Tehama County Department of Environmental Health is required to make findings pursuant to California Code of Regulations, Title 27, Division 2, Subdivision 1, Chapter 4, Subchapter 3, Article 3, Section 21665(c). The required findings are consistency with 1) California Environmental Quality Act (CEQA), 2) State Minimum Standards and 3) the existing Solid Waste Facilities Permit. The LEA made these findings and approved the RFI amendments on August 18, 2015.

The LEA's decision may be appealed by any person by petitioning for a hearing to the Tehama County Solid Waste Independent Hearing Panel, pursuant to Public Resources Code, Division 30, Part 4, Chapter 4, Article 2, Section 44307.

Additional information regarding the approved application is available for public review at Tehama County Department of Environmental Health, 633 Washington Street, Room 36, Red Bluff; Monday-Friday, 8:00 A.M. – 5:00 P.M.
